RE: Data Responses, Informal Set 9
Cosumnes Power Plant (01-AFC-19)

On behalf of the Sacramento Municipal Utility District, please find attached 4 copies and one original of the Informal Data Responses, Set 9, which contains confidential cultural resource materials on CA-SAC-02 and an "Old Indian Rancheria" site.

Please call me if you have any questions.

Sincerely,

CH2M HILL

Re: Repeated Application for Confidential Designation Pursuant to Section 2505(a)(4) of Title 20: SMUD's Cosumnes Power Plant (01-AFC-019): Cultural Resources

Dear Mr. Larson:

Pursuant to Title 20 of the California Code of Regulations and direction received from CEC staff, the Sacramento Municipal Utility District (SMUD) hereby submits this "Revised Repeated Application for Confidential Designation Pursuant to Section 2505(a)(4) of Title 20: Cosumnes Power Plant (01-AFC-019): Cultural Resources."

Section 2505(a)(4) provides that if an applicant's prior application for confidential designation of substantially similar information has been granted pursuant to Section 2505, a subsequent application need only contain certification pursuant to Section 2505(a)(1)(G) that the information submitted is substantially similar to the initial application and that all facts and circumstances relevant to the granting or approval of the initial application are unchanged.

The Commission's Executive Director has previously approved SMUD's request for confidential designation regarding cultural resources and other subject matters related to the Cosumnes Power Plant AFC. Pursuant to direction received from CEC staff, SMUD now wishes to submit this repeated application for confidential designation for the following documents:

1. CHRIS report on CA-SAC-02.
2. Excerpted pages from the 1929 publication by Schneck & Dawson.

3. Appendix K from the 2002 publication, "Phase II Investigations at CA-AMA-56 and Phase 1.5 Investigations at CA-AMA-160 for the Jackson Creek Bridge project on State Route 88, Amador County, January 2002."

The information submitted with this application is substantially similar to the information submitted in SMUD's initial application, and all facts and circumstances relevant to the granting of SMUD's initial application are unchanged.

I certify under penalty of perjury that the information contained in this Application for Confidential Designation is true, correct, and complete to the best of my knowledge and belief.

Sincerely,

Steve Cohn
Senior Attorney
